Commissioner for Patents

Sir:

The Information Disclosure Statement Form PTO/SB/08a concurrently filed with this Transmittal supplements the IDS filed earlier today.

The present PTO/SB/08a lists WO0210468. A copy of the correct reference was submitted with a January 4, 2008 IDS but inadvertently the Form PTO-1449 of the January 4, 2008 IDS listed it as WO 02100468. It was indicated as considered on 01/25/08 by an initialed Form PTO-1449 attached to an Office action of 02/21/2008. Thus, the Examiner considered the correct reference. However, the present IDS is provided to provide a Form SB/08 with the correct number for this reference so the correct number is printed on any patent that may issue from the present application. It is noted WO'468 corresponds to US 6790407 also already of record.

The attached Form SB/08 lists Abstract in the column titled "Pages, Columns, Lines where Relevant Passages or Relevant Figures Appear" because there is nowhere else to list a partial translation.

It is respectfully submitted no fee is required for consideration of this information. However, in the event any fee is deemed necessary, the Commissioner is authorized to charge the undersigned's Deposit Account No. 14-1437.

Respectfully submitted,
